

The background features a network of thin, golden-brown lines connecting various points, creating a complex, web-like pattern. The lines vary in thickness and color, with some appearing more vibrant than others. The overall aesthetic is clean and modern, with a focus on connectivity and structure.

StatPearls

Introduction for Instructors

What is StatPearls?

Provides quiz creation, exam review, and self-testing resources

**Make sure to register through the
LSUHSC-NO portal**

**Instructors should contact their
school's Library Liaison to set up an
administrator account.**

User Dash

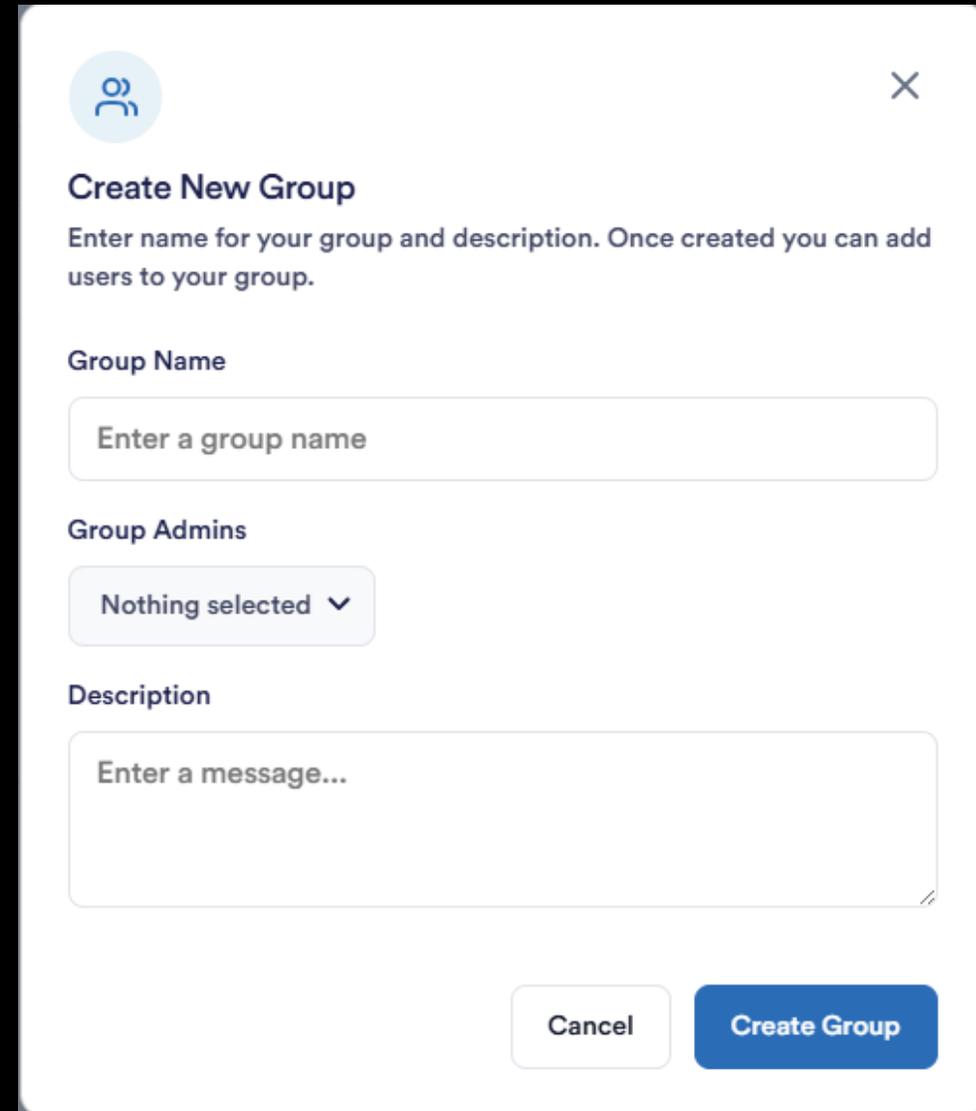

Click on "LMS Admin" to manage your groups or to create assignments

The screenshot shows the STATPEARLS LMS Admin dashboard for user Rowan Marye (rmarye@lsuhsc.edu). The interface includes a sidebar with navigation options: Home, Louisiana State University - New Orleans, LMS Admin, Quiz Assignments, Reading Assignments, Test Assignments, Question Banks, CE, Articles, and LMS Help. The main content area features a search bar, a welcome message, and three summary cards: 'Latest Assignments' (listing 7 assigned quizzes, 0 tests, and 0 reading assignments), 'Upcoming Quizzes' (1 due, 0 completed, 0% progress), and 'Upcoming Tests' (0 due, 0 completed, 0% progress). The LSU Health New Orleans logo is visible in the top right.

Create a Group

- Under LMS Admin, select “Manage Groups.”
- Select “New Group” at the top right.
- Select group admins – **MAKE SURE TO INCLUDE YOURSELF!**

Create New Group

Enter name for your group and description. Once created you can add users to your group.

Cancel Create Group

Managing your group

- Click “Manage Groups” to see the list of all your groups.
- Click on the “Group Home” icon to work with a specific group.

The screenshot displays the 'Manage Groups' interface. At the top right, there is a 'New Group' button. Below the header, a search bar contains the text 'testing'. To the right of the search bar are 'Filters' and 'Columns' buttons. The main content is a table with the following columns: NAME, DESCRIPTION, GROUP ADMINS, USER COUNT, and ACTIONS. The table lists three groups: 'Librarians', 'testing/troubleshooting', and 'testing/troubleshooting 2'. Each group row includes a 'Group Home' icon (a house) in the ACTIONS column, which is highlighted by a blue arrow pointing from the right side of the image.

NAME	DESCRIPTION	GROUP ADMINS	USER COUNT	ACTIONS
Librarians	Testing 123	Marlene Bishop Set as Edlink Grade Reporter mbisho@lsuhsc.edu Rowan Marye Set as Edlink Grade Reporter rmarye@lsuhsc.edu	0	Group Home, Edit, Copy, More
testing/troubleshooting		Elizabeth Holt Set as Edlink Grade Reporter eholt3@lsuhsc.edu	1	Group Home, Edit, Copy, More
testing/troubleshooting 2		Rowan Marye Set as Edlink Grade Reporter rmarye@lsuhsc.edu	0	Group Home, Edit, Copy, More

Add members

- Add Users via CSV
 - Create a CSV of email addresses of members to be invited to the group.
 - Make sure your CSV does not include any extraneous spaces in the email field!
- Invite via Email
 - Directly enter emails addresses, separated by commas.
- Manually add existing users
 - Click add users and select existing users from a drop-down list.
 - By-passes the invitation step and makes them an active user immediately.

Creating a Quiz

- Select “Quizzes” in the Group Administration menu.
- Click “Create Quiz” to open the Quiz Builder.

Quiz Builder

To create a quiz, you must select the questions you want to include on the quiz from the table below. All selected questions will be added to the quiz.

Quiz Type

Study Mode
Create a quiz with teaching points. Question displays answer and teaching points after student answers.

Test Mode
Create a quiz with NO teaching points, only one chance to answer the question.

Create an Assignment
Quiz will be assigned to all testing/troubleshooting 2 group users

Title for assignment

Description

Start Date

Due Date

Time zone

Allowed Duration - Amount of time to finish once started, 0 is unlimited.

Release Results to Students
Students can see their transcript and all the answers if box is checked, their score is always viewable.

Assigning a Quiz

Go to the list of Created Quizzes, then click on the "Create an Assignment" icon to assign it.

Reviewing results

- Go to “Assigned Quizzes” and select the assignment you want to see.
- General stats can be seen at the top, and quick results beside each user

The screenshot displays a quiz results interface. At the top, there are navigation buttons for 'Printable View', 'Detailed Summary', and 'Extensions'. Below these, general statistics are shown: Start Date (04/06/2024, 16:18), Due Date (04/13/2024, 23:59), Duration (0 m), Timezone ((UTC-06:00) Central Time (US & Canada)), and Assigned to (a redacted name group). Further down, it shows 'Finished' (2/3) and 'Average of Finished' (17.95 %). A tabbed interface has 'User Performance' selected. A search bar and 'Filters'/'Columns' buttons are present above a table. The table lists three users with their scores, correct/total counts, completion status, and finish dates.

USER	SCORE	CORRECT	COMPLETED	FINISHED	ACTIONS
[Redacted]	30	4/13	13/13	4/9/2024	Reset Result
[Redacted]	0	0/0	0/0	Not Started	Reset Result
[Redacted]	23	3/13	13/13	4/8/2024	Reset Result

Extensions, re-takes, and other troubleshooting

- Assign extensions for specific users with the “Add Extension” option.
- You can also add additional duration here for students who need extra time.
- To allow a re-take, go to User Performance and select “Reset Result.”

WARNING

Please tell your students to manually track their own test time.

THE STAT PEARLS TIMER RESETS TO ZERO FOR EACH QUESTION

THANK YOU!
